

Specification

Product: GHK-Cu, copper(II) glycy-L-histidyl-L-lysinate

CAS 9030-95-5

Lot Number

Manufacturing Date:

Retest date:

TEST	SPECIFICATIONS
Appearance	Blue to purple powder
IR Spectrum	Same as reference
Water	NMT 8%
Assay (by HPLC on dry basis)	NLT 99%
CONCLUSION	Product complies with specification
Storage Conditions:	Tightly closed containers below 30 °C, do not expose to visible or UV light.
